Hi Dick,

The modeling protocol for Sanimax was submitted yesterday. We'll wait to hear back from the modeling staff on that.

The facility would also like to incorporate a name change into their new permit. Their name has been changed from Sanimax USA Inc. to Sanimax USA, LLC. Can we submit the administrative permit amendment forms directly to you for this change? Or would we need to go the normal route and submit them as part of a separate administrative amendment application?

Thanks,
Katie
