Subject:	Sanimax Title V Permit Renewal - Review of Application
Date:	Thursday, June 04, 2015 1:17:03 PM

Dick,

I reviewed the information that was submitted in the Sanimax Title V Permit Renewal Application, submitted on January 18, 2013. The following changes/updates were noted in the application. It looks like a few changes are needed to the information in MPCA's database. No changes to the permit text or CD-01s were requested. Let me know if you have any questions. Thanks!

Buildings and Structure Information (Form GI-03-R)
- Added in all buildings.

Stack/Vent Supplemental Information (Form GI-04-R)
- Updated parameters for SV001, SV005, SV014.
- Noted that SV007 had been removed.
- Noted that SV019 was not built.

Control Equipment Supplemental Information (Form GI-05A-R)
- Updated information for CE025.

Emission Unit Supplemental Information (Form GI-05B-R)
- Updated information for EU020, 021, 022.

PTE Supplemental Information (Form GI-07-R)
- Provided GHG PTE and made corrections to some other pollutant emissions (this information has been updated in the current permit modification application).
