SUMMARY OF FINDINGS			
Hydrophytic Vegetation Present? No Hydric Soils Present? Yes			
Wetland Hydrology Present?  Yes  Is This Sampling Point Within A Wetland?  No			
Remarks: The sample site is located in an uncropped, weedy field that drains into an adjacent roadside ditch. Curly dock and dog mustard dominate the common terms of the sample site is located in an uncropped, weedy field that drains into an adjacent roadside ditch. Curly dock and dog mustard dominate the common terms of the sample site is located in an uncropped, weedy field that drains into an adjacent roadside ditch. Curly dock and dog mustard dominate the common terms of the sample site is located in an uncropped, weedy field that drains into an adjacent roadside ditch.	community.
