RE: PETROLEUM CONTAMINATION
SITE: FORMER CONOCO STATION @ 1126 S. ROBERT ST., WEST ST. PAUL

Dear Mr. Scheer:

Please be advised of the known activities and history pertaining to underground storage at the above location.

1. 12/20/73 - City permitted and reviewed plans - installation of one new 10,000 gallon fiberglass underground storage tank.
2. 9/23/77 - City permitted and inspected piping/island/pump changes during conversion to self-service operation.
3. 7/19/82 - City permitted removal of (3) three underground storage tanks. 2 - 5,000 gallon and 1 - 10,000 gallon.

I have enclosed copies of city permits issued for the above activities. Should you have any questions or need additional information, please call me at 455-9673.

Sincerely,

DE Hove

Gentlemen:

Continental Oil Company Property, 1126 South Roberts Street

We received notice today from the Federal Energy Administration that our application for a gasoline allocation at the subject station has been approved.

In accordance with your request, we will be making an application for a Special Use Permit to operate a self-service gasoline station with convenience items by September 9, 1977.

Thank you for allowing us the extension concerning the underground tank abandonment.

Yours very truly,

Ordered By: Ken Ingram	Date: 8/13/82
	P.O. #
	Job Phone #

WORK TO BE DONE: Secure the necessary permits.
Purge two (2) -- 5,000 gallon and one (1) -- 10,000 gallon tanks with CO₂.
Excavate for and remove the tanks.
Backfill to grade with clean fill.
After the fill has had time to settle, we will return and place 6" of compactable lime rock.
We then will patch the area with asphalt.
Tanks are to become property of Griggs Contracting.
