Date of UST Registration:		June 9, 1986

1. Eligibility Determination

I hereby make the determinations, regarding the above-referenced petroleum tank release site, that the corrective action taken by the applicant was appropriate in terms of protecting public health, welfare, and the environment and that the applicant is eligible for Petroleum Tank Release Compensation Account reimbursement, pursuant to Minn. Stat. § 115C.09, subd. 2, items (a) and (c) (1990).

2. Compliance with Applicable Requirements: ADEQUATE

Information readily available to the MPCA staff shows that the applicant has complied with the applicable requirements of Minn. Stat. § 115C.09, subd. 3(d)(1990).

The determinations in this report are made solely for the purpose of determining eligibility for reimbursement under Minn. Stat. § 115C.09, subds. 2 and 3 (1990). Nothing in this site report releases any person from liability, and the MPCA does not waive any of its authority to require additional corrective action at the above-referenced site or to enforce other provisions of state law.

Dated: March 10 1992

Michael Kanner, Manager
Tanks and Spills Section
Hazardous Waste Division
