RE: Request for Additional Work

Site: Junction Food N Fuel, 5493 Miller Trunk Highway, Hermantown

Site ID#: LEAK0003534

Dear Mr. Curtis:

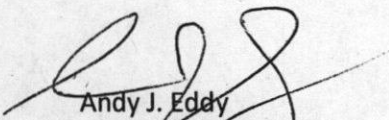

The Minnesota Pollution Control Agency (MPCA) has reviewed the report titled, CA Report, dated September 2013, prepared by MSA, your environmental consultant. Based upon information provided in the report, it has been determined that additional work is required at the above-referenced site. Specifically, the following activities should be conducted:

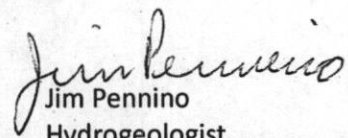

1. Please collect a sub-slab sample;
2. Please collect an outdoor air sample and an indoor air sample;
3. The Casa Late building should be surveyed for sources of petroleum and chlorinated solvents.

MPCA staff request that the work be completed and the report be submitted within two months of the date of this letter. Failure to meet this deadline in a timely manner may result in reductions in Petrofund reimbursement or lead to MPCA enforcement actions.

If you have any questions regarding this letter, please contact Andy Eddy, Project Manager, at 651-757-2331.

Sincerely,

Andy J. Eddy
