Site ID#: LEAK00003534

Dear Mr. Curtis:

The Minnesota Pollution Control Agency (MPCA) staff has reviewed the report titled, "Project Update", dated October 14, 2010. Based upon the information provided in the report, it has been determined that additional information is required at the above-referenced property. Specifically, the following information should be provided:

1. Please submit an updated DCAD describing your proposed correction actions prior to beginning any further work.

The MPCA staff request that the work be completed within 1 month of the date of this letter. Failure to meet this deadline in a timely manner may result in reductions in Petrofund reimbursement or lead to MPCA enforcement actions.

If you have any questions regarding this letter, please contact me at 651-757-2331 or Kevin Mustonen, staff hydrogeologist, at 218-302-6641. If you are calling long distance, you may reach the MPCA by calling 1-800-657-3864.

Sincerely,

Andrew Eddy
