Mark-

I'll get this started, but I still need the original. Please tell the applicant to send that in ASAP. We have made an agreement w/VIC that we will not accept fax/copies, but must have original, and to keep a consistent message, I want to honor that.

Assign this to me. They faxed it like 2 weeks ago and I never got it.

Mark,

When I got in to the office this morning I realized that the fax I sent to you late yesterday did not go through. Therefore, I am emailing the application. Do you want me to mail the original to you?
