Hi Sara.

Please do not retain a consultant as the MPCA will be hiring someone on behalf of MDW Equity. Hiring a consultant does not apply because MDW Equity's financial hardship claim was approved. Please ignore that section of the Commissioner's Order, it is standard language we are required to use.

Please US mail an original copy of the access agreement to me.

At this time, I have everything needed to fund finance the site. Thank you for completing the financial hardship forms.

If you have other questions or concerns, please let me know.

Stephen,

I'm just touching base. We received the order, and have contacted a reputable consultant. He should have a quote to me shortly.

Would you please let me know how the process goes from there? I'm not sure how we are supposed to retain a contractor, if we don't have the funds for that.

Also, I emailed you the signed access agreement--do you also need an original?

Please let me know.

Thank you,
Sara L. Vinas
