1. Eligibility Determination

I hereby make the determinations, regarding the above-referenced petroleum tank release site, that the corrective action taken by the applicant was appropriate in terms of protecting public health, welfare, and the environment and that the applicant is eligible for Petrofund reimbursement, pursuant to Minn. The MPCA staff recommends a reduction in the amount of reimbursement available to the applicant, under 1991 Minn. Laws.ch. 175, § 5 (to be codified as Minn. Stat. § 115C.09, Subd. 3(e)), based upon the compliance failure noted above.
