RE: Petroleum Storage Tank Release Investigation and Corrective Action  
Site: Waste Management, Savage  
Site ID#: LEAK00000990

Dear Mr. Berkopec:

On August 5, 1988, the Minnesota Pollution Control Agency (MPCA) staff was notified that a release of petroleum occurred from storage tank facilities that you own and/or operate at the site referenced above.

On February 5, 1992, the MPCA staff issued a letter to you approving a soil corrective action plan for the site.

A recent review of our files indicates that we have not received any information that an investigation has been completed at the site. The MPCA staff requests that you respond verbally or in writing to this letter and describe the status of your investigation.

You must respond within five working days of receipt of this letter. Failure to do so may result in reduced reimbursement from the Petrofund and/or enforcement action taken against you by the MPCA.

If you have any questions concerning this letter or need additional information, please call me at 612/297-8576. Please reference the above LEAK # in all correspondence.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Ruff".
