RE: Request for Additional Work  
Site: Wigwam Inn, 18271 460<sup>th</sup> Street, Garrison, Crow Wing County  
Site ID#: LEAK00012624

Dear Mr. Rupp:

The Minnesota Pollution Control Agency (MPCA) staff has reviewed the report titled, "Remedial Investigation Report," dated March 25, 2003. Based upon the information provided in the report, it has been determined that additional work is required at the above-referenced property. MPCA staff concurs with your consultant's recommendations to continue quarterly groundwater monitoring including the sampling parameters below.

1. Please have your consultant analyze monitoring well samples for DRO, GRO, BTEX, and MTBE.
2. Submit an Annual Report within 13 months of the date of this letter.

The MPCA staff request that the work be completed within the time frames listed above. Failure to meet this deadline in a timely manner may result in reductions in Petrofund reimbursement or lead to MPCA enforcement actions.

If you have any questions regarding this letter, please contact me at (218) 828-6118 or Adam Sekely, staff hydrogeologist, at (218) 828-6115. If you are calling long distance, you may reach the MPCA by calling (800) 657-3864.

Sincerely,

Sandra L. Kushman  
Project Manager  
Brainerd Office  
Majors and Remediation Division

Adam Sekely  
Hydrogeologist  
Petroleum and Landfill Unit  
Majors and Remediation Division
