RE: Underground Storage Tank Supervisor Certification

Dear Mr. Bolander:

The Minnesota Pollution Control Agency (MPCA) is in receipt of the applications titled, "Underground Storage Tank (UST) Supervisor Certification" for Thomas Skluzacek, William Scheurer, Thomas Gorman, and Howard Eisinger of your company. The MPCA is unable to process the applications for William Scheurer, Thomas Gorman and Howard Eisinger due to deficiencies. In order for the MPCA to process the applications, a photocopy of the most recent training course diploma must be submitted for each of the above referenced individuals seeking UST supervisor certification.

Also, please be aware that contractor certification for your company, Carl Bolander & Sons Company, (Contractor No. 89) expires March 3, 2000. If you wish to pursue contractor recertification, please complete and submit the enclosed application titled, "Underground Storage Tank Contractor Certification" prior to above referenced expiration date.

Please find enclosed all four original applications and a check issued to the MPCA in the amount of \$200.00. Please submit the above referenced item so that the applications may be processed. If you have questions or require assistance please contact me at (651) 297-8595, or if your calling long distance, 1 (800) 657-3864.

Sincerely,
