PROJECT LOG SHEET

DATE	MPCA STAFF MEMBER	ACTIVITY (phone no., letter, meeting, etc.)
10/27/89	Haas	Spills Report
1/10/90	JGB	SL
5/30/90	JGB	GME Mark Millsop called - report will be coming soon
	His report is just about the new gasoline. There is also very old product that was not dug out at the time.	
6/21/90	JGB	Mark Millsop called - have located landapp site -
	will send some	info so I can visit site next week
7/24/90	JGB	Mark M. will send landapp in. I should get it next week
	I told him I	would send a letter ASAD if the site is ok
8/10/90	JGB	land app approval in mail
11/7/90	JGB	Drove by landapp site. soil is still piled. It has not been spread yet
11/12/90	JGB	Called Leo Clobes. He said they will spread soil on
7/17/91	JGB	11/14 Mark Millsop. They are working on a proposal to do additional work at site. He has had some trouble
	convincing the RP	of why he needs to do more work. MPCA
	should send	Bob Dithmer a letter reminding him of this
	responsibility.
