Dear Senator Frederickson and Representative Ostrom:

RE: Ditterman Oil Company, Inc., Fairfax, LEAK00001940
Hanska Elementary School, Hanska, LEAK00001340

I am writing to inform you that actions have been taken to investigate contaminated soil and/or ground water at a site in your district. The sites are Ditterman Oil Company, Inc., at 600 East Lincoln Avenue in Fairfax and Hanska Elementary School in Hanska. As allowed by the Petroleum Tank Release Cleanup Act, the responsible party has applied to the Minnesota Petroleum Tank Release Compensation Board (Petro Board) for reimbursement of 90 percent of their cleanup costs up to \$1,000,000.

On January 24, 1991, the Petro Board voted to reimburse Ditterman Oil Company, Inc., \$30,077 and Hanska Elementary School \$3,779 in repayment of cleanup costs.

If you would like more information on the status of the sites, please contact Janet Berryhill at 612/643-3427 regarding Ditterman Oil Company, Inc., and Mark Koplitz at 612/643-3426 regarding Hanska Elementary School.

Sincerely,

Charles W. Williams
Commissioner
