

COMMENT ON DRAFT POLYMET AIR QUALITY PERMIT

Instructions:

1. Fill out your name, city and zip code. Email is optional.
2. Use the front and back side of the comment form for your comment on the draft air quality permit.
3. If you would also like to comment on MPCA's draft 401 certification, draft water quality permit, or DNR's draft permit to mine, please complete the comment form that corresponds to each of those permits.
4. Turn comment form in at the comment box or mail it to:

Minnesota Pollution Control Agency
PolyMet air quality permit comment – 4th floor
520 Lafayette Road
St. Paul, MN 55155

Comments accepted through March 16, 2018. The legal public notice, including the draft air quality permit, is available online at www.pca.state.mn.us/public-notice.

The MPCA considers all comments it receives before finalizing the permit. In addition, all comments become part of the public record and are public data under the Minnesota Government Data Practices Act.

NAME (FIRST AND LAST) *Mary Klausen*
CITY *Two Harbors*

EMAIL (OPTIONAL)

COMMENT ON MPCA DRAFT POLYMET AIR QUALITY PERMIT

IF you let this company do it, you'll be opening the floodgates to multiple more greedy destroyers to swoop in on the action & wreck the remainder of the most important source of clean water our nation & maybe the world will have to depend on someday. There is no way to safely mine this product. Stop it now before it's too late. NO, NO, NO, NO.
