Interest Remarks

Pump from 1000 gal UST malfunctioned, product sprayed inside shop. Floor drain/cistern impacted. Kevin Faus handled site in spills, and site is closed, but leak # needed for reimbursement. Bid waiver for free product recovery from all mediums, vapor control, product removal from tank. Spill# 51895 assigned, please refer to this number for further details. Started emergency screens. (SHV) 7/14/00 Discussed with Colleen. Referred to Petrofund for reimbursement forms 8/11/00 DO report given back to Stacey any Cr should be undertaken by Spills

1/9/01 SHV: Talked with Kevin Faus and having site deleted as L# because this was handled by insurance and Kevin completed all the necessary work.
