RE: November 26, 2014 Notice of Violation-Completion of Corrective Actions

Dear Mr. Ramirez:

This letter acknowledges that Hood Packaging Corporation (Regulated Party) has completed the corrective action requirements described in the Minnesota Pollution Control Agency's (MPCA) November 26, 2014 Notice of Violation (NOV).

Based upon the information received from the Regulated Party, the MPCA staff has determined that the corrective action requirements contained in the NOV have been completed.

Please note, that the NOV and the Regulated Party's response will remain on record at the MPCA and your response does not preclude the MPCA from taking further action with respect to the violation listed in the NOV.

If you have any questions, please contact Jon Gegen at 651-757-2383.

Thank you for your attention to this matter and your cooperation in fulfillment of the requirements.

Sincerely,

*John Elling*
